

## EARN YOUR STREET SMARTS

Undoubtedly one of the H1's main attractions, this crossover's cheeky looks are certain to make you the talk of the town and turn many heads. It is a very compact vehicle, with an overall length of less than four metres, but with an SUV-rivalling ground clearance of more than 180mm and stylish 16-inch alloy wheels, it certainly packs lots of attitude into those compact dimensions.

Considering the H1's favourable pricing, the design detailing will come as a surprise. The squared-off front-end features a gaping lower air dam flanked by fog lamps and Daytime Running Lamps (DRL). Skid-plates in a contrasting silver hue are fitted front and rear and black cladding around the sills and wheelarches round off the SUV look. Due to the C-pillar being blacked-out the H1 gains a trendy "floating-roof" appearance that is further enhanced by the standard fitment of practical roof rails.

### HAVAL H1 CONFIGURATION

#### ENGINE & TRANSMISSION

|                        |                |
|------------------------|----------------|
| Cubic capacity (cc)    | 1 497          |
| Number of cylinders    | in-line, four  |
| Power (kW@rpm)         | 69 kW @ 6 000  |
| Torque (Nm@rpm)        | 130/4000-4900  |
| Fuel type              | Petrol         |
| Compression ratio (:1) | 10,5           |
| Transmission           | 5-speed manual |
| Driven wheels          | Front          |

#### STEERING

|                |   |
|----------------|---|
| Type           | Rack & pinion, hydraulic power assistance |
| Turning circle | < 10,7                                    |

#### SUSPENSION

|       |                   |
|-------|-------------------|
| Front | MacPherson struts |
| Rear  | Torsion beam      |

#### BRAKES, WHEELS & TYRES

|                   |                         |
|-------------------|-------------------------|
| Front brakes      | 255 mm ventilated discs |
| Rear brakes       | 263 mm solid discs      |
| Wheel size & type | 16-inch alloy           |
| Tyre size         | 205/60 R16              |
| Spare wheel       | Space saver spare       |

#### FUEL CONSUMPTION & PERFORMANCE

|                          |      |
|--------------------------|------|
| Combined cycle (L/100km) | 7,2  |
| CO2 emissions (g/km)     | 170  |
| Top speed (km/h)         | 170  |
| 0 - 100 km/h (sec)       | < 10 |

#### DIMENSIONS & WEIGHTS

|                              |                       |
|------------------------------|-----------------------|
| Length x width x height (mm) | 3 961 x 1 728 x 1 617 |
| Wheelbase (mm)               | 2 383                 |
| Front/rear track (mm)        | 1 459/1 445           |
| Weight (kg)                  | 1 106                 |
| Ground clearance (mm)        | 185                   |
| Fuel tank (litres)           | 45                    |
| Boot size (litres)           | 120                   |

#### WARRANTY & SERVICE

|                     |                      |
|---------------------|----------------------|
| Warranty            | 5 year/100 000km     |
| Service plan        | 3 year/45 000km      |
| Service intervals   | 15 000km             |
| Roadside assistance | 5 years/unlimited km |

**HAVAL H1**

## COMFORT & ENTERTAINMENT

The style and modern design continues inside, where the H1 boasts a sporty instrument cluster with overlapping dials and an integrated digital speedometer display. The fascia design features a V-shaped centre section with neatly separated control interfaces for the audio (including a large digital screen) and ventilation systems. Vertically slanted ventilation outlets are located either side of the centre hangdown section. Neat black cloth upholstery and the use of silver trim accents on the fascia and doors create an upmarket ambience.

The H1 boasts a comprehensive standard features count, including air-conditioning, electric windows/mirrors and an audio system with USB and auxiliary plug-in support as well Bluetooth capability. Driver comfort is further boosted by the fitment of a rake-adjustable steering wheel. Rear park assist helps drivers avoid those expensive parking scrapes.

## POWER & ECONOMY

The H1 is powered by HAVAL's trusty 1,5-litre VVT engine that delivers 69kW at 6 000 rpm and 130 Nm of torque to the front wheels via a slick five-speed manual transmission. The engine features variable valve timing, benefitting not only performance but also fuel economy. The H1 sips fuel at the rate of 7,2 litres/100 km (combined cycle) depending on driving style and environment, with a CO2 emissions figure of 172 g/km.

## SAFETY & SECURITY

As is the case with all HAVAL vehicles, the H1 has been designed to meet global safety standards and boasts a comprehensive safety package. Dual front airbags and disc brakes all-round featuring ABS with EBD fitted standard. Isofix child-seat mountings are mounted at the rear and the front seatbelts are height-adjustable. The rear doors also feature child locks.

Fog lights front and rear boost visibility in poor weather conditions while security is provided by a standard immobiliser, with the further convenience of remote central locking and a car locating function.
