

# HAVAL H9

## HAVAL H9 CONFIGURATION

SPECIFICATIONS	
Overall dimensions Length x width x height (mm)	4856 x 1926 x 1900
Wheelbase (mm)	2800
Engine	Dual channel turbocharged 4-cylinder 16-valve, Double VVT, Direct petrol injection
Maximum power output (kW/rpm)	180/5500
Maximum torque (Nm/rpm)	350/1800-4500
Transmission	ZF-8 Speed AT with paddle shift
Driving mode	4WD - Selectable all-terrain control
Combined fuel consumption	10.9L/100km
Fording depth	700mm
Ground clearance	206mm
Fuel tank	80L

CHASSIS & STEERING SYSTEM	ACTIVE / PASSIVE SAFETY	SEATING EQUIPMENT
Front double-wishbone suspension	Dual airbags	Synthetic leather seats
Rear multi-link suspension	Front side airbags	Seven seats
Hydraulic power steering	Side curtain airbags	Front active headsets
All-round ventilated disc brakes	Reverse camera with the dynamic reversing auxiliary line	8-Way electrically adjustable driver seat with lumbar support
Ladder chassis	Park distance control	4-Way electrically adjustable front passenger seat
	Driver condition monitor	Front ventilated seats
	Remote control window close function	Front massage seats
	Keyless start system	Manually adjustable 2nd-row seats
	Keyless entry system	6/4 Rear split seats
	Car locating function	Child seat ISOFIX anchors
	TPMS (Tyre Pressure Monitoring System)	Electrically foldable 3rd-row seats
	ABS (Anti-locking braking system), EBD (Electronic Brake Force Distribution) & TCS (Traction Control System)	
	BA (Brake Assist)	
	ESP (Electronic Stability Program)	
	HAC (Hill-start Assist Control)	
	RMI (Roll Movement Intervention)	
	HDC (Hill Descent Control)	
	Cruise control system	
	Electronic Parking Brake (EPB)	
	Rear electronic differential lock	
	All-terrain response system (Auto, sport, sand, snow, mud, 4L)	
	Auto start stop	
	Cross Traffic Alert (CTA)	
	Lane Change Assist System (LCA)	

EXTERNAL EQUIPMENT	INTERNAL EQUIPMENT
Panoramic sunroof	Black / grey interior decoration
Aluminium alloy wheel	Synthetic leather steering wheel
Shark fin roof radio antenna	4-Way manually adjustable steering wheel
Roof rails	Multi-function steering wheel
Fixed aluminium side steps	Bluetooth
Stainless steel rear bumper protector	Brightness-adjustable instruments
Automatic wiper	12V power outlet
265/60 R18 tyres	Rear spare power outlet
	Steering wheel with paddle shifters
	7" Display
	Off-road integrated monitor (including Altitude, Barometer, Compass & Gradient)

## THE HAVAL H9 EXPLORE IN STYLE

No matter what you or your family is doing or where you're going, in the Haval H9 you're doing it with style. With a distinctly different look, there's no mistaking the H9 for any other vehicle on the road. With its mix of bold, contemporary styling and the muscular definition of a vehicle capable of conquering any destination, the H9 is the new leader of the styling council.

Those stylish lines represent the culmination of years of hard work by a team of dedicated designers and engineers to produce the finest possible SUV.

The low front and high rear waistline accentuate the sporting appearance of the H9, ensuring it looks just as good standing still as it does carving a path through the urban jungle or exploring off the beaten track. It not only looks good, it's aerodynamically designed to channel the airflow around the car for maximum efficiency and lower road noise.

## CONFIDENCE TO EXPLORE

## HAVAL H9

### COMFORT & ENTERTAINMENT

The H9 combines luxury materials throughout, outstanding fit and finish, leading technologies, space and attention to detail to make every journey a comfortable experience.

Every element has been designed with maximum legibility and clarity, with back-lit switches to provide ease of use in all conditions. The synthetic leather-stitched steering wheel falls easily to hand and is fully adjustable to make sure every driver can find the perfect driving position.

The large, easy to use centre instrument panel houses a large 8-inch touch screen that provides clear, concise information for a host of functions including climate control, reverse camera, audio and seat heating, ventilation and massage functions.

Tri-zone climate control air-conditioning ensures passengers can dial in their preferred temperature, while roof-mounted vents in the second and third rows deliver clean air to all occupants.

### POWER & ECONOMY

The H9 comes with a state-of-the-art turbocharged petrol engine that delivers family-friendly power. With 180 kilowatts of power and 350 Nm of torque, the H9 has all the power you need to meet every challenge. The engine uses a turbocharger boasting variable geometry technology.

The turbocharged engine is matched to an all-new, German engineered ZF 8-speed automatic transmission. It delivers a silky smooth drive, effortless launch feel and efficiency, and improved fuel consumption.

### SAFETY & SECURITY

The H9 comes with a full suite of active and passive safety systems designed to provide a haven for you and your most precious cargo in all conditions.

It starts with a strong frame, incorporating a high-performance safety shell that works to actively channel the energy from a collision around the passenger safety cell, keeping it intact and the occupants safely cocooned inside. That shell is complemented by an array of active and passive safety systems, including six airbags to protect all passengers. In the unfortunate event of an accident, the intelligent safety systems react in milliseconds to shelter all passengers with maximum protection.
