

ALL-NEW JEEP®

# WRANGLER

ALL-NEW JEEP®

**WRANGLER**

THE NEXT GENERATION OF FREEDOM.

**FREE  
DOM  
IS THE  
NATURAL  
STATE  
OF HUMAN  
KIND**

A desire for freedom is innate in human beings. It emerges as a desire to explore, a passion for the natural world, a search for a defined identity. This has always been the authentic essence of Jeep® - perfectly embodied in Wrangler, an icon that has managed to remain loyal to its roots while adapting to the changing spirit of the times. Today its irrepressible inclination towards adventure leads it to explore new terrains, be it on- or off-road. New destinations, new sensations, new emotions. The journey starts again. Right here.

A dramatic mountain landscape with a cloudy sky and a valley below. The scene is viewed from a high vantage point, looking down into a valley. The sky is filled with large, dark, grey clouds, with some light breaking through. The mountains are rugged and rocky, with patches of snow or ice. In the foreground, a rocky, scree-covered slope leads down towards a small, clear lake in the valley. The overall mood is adventurous and rugged.

# YOUR SPIRIT REVEALED.

Free spirits recognize each other on sight: it's a natural affinity. From the very beginning, Wrangler has accompanied such pioneers, taking them away from the ordinary, heading towards amazing journeys and exciting adventures. Its nature has not changed at all over the years – quite the contrary. The most recognizable vehicle in the world stays true to the original. It has been further improved to deliver more rugged capability, with increased interior comfort for superior driving experiences.

# SAME CHARACTER, NEW LIGHT.

The new Wrangler design is the natural evolution of a vehicle that remains loyal to the original. The legendary seven-slot grille with outer slats intersecting with the headlights pays homage to the Jeep® CJ. And the authentic spirit is immediately evident, clearly distinguishing the Wrangler's identity. Its wide stance and bold and rugged shape instantly evoke a sense of strength and sturdiness, a perception reinforced by the lowered beltline.

# A BEACON IN THE STORM.

Iconic round headlamps provide the distinctive Wrangler character. The new Full LED system and fog lights complete the unique look, offering ultra-bright lighting to significantly increase road visibility. LED daytime running lights are located on the front of the trapezoidal wheel flares, and LEDs are also deployed in the square-shaped tail lights. To see, be seen and be recognized. Always.

1.

3.

\*Driving with doors off and windshield down is for off-road use in permitted areas/roads only.

2.

# AUTHENTIC OPEN-AIR EXPERIENCE.

The all-new Jeep® Wrangler, the only true open-air 4x4 SUV on the market, has been designed and built for greater freedom.

## 1. FOLD DOWN WINDSHIELD\*

Now it's easier than ever to have more fresh air in the face and a clearer view of the trail ahead.

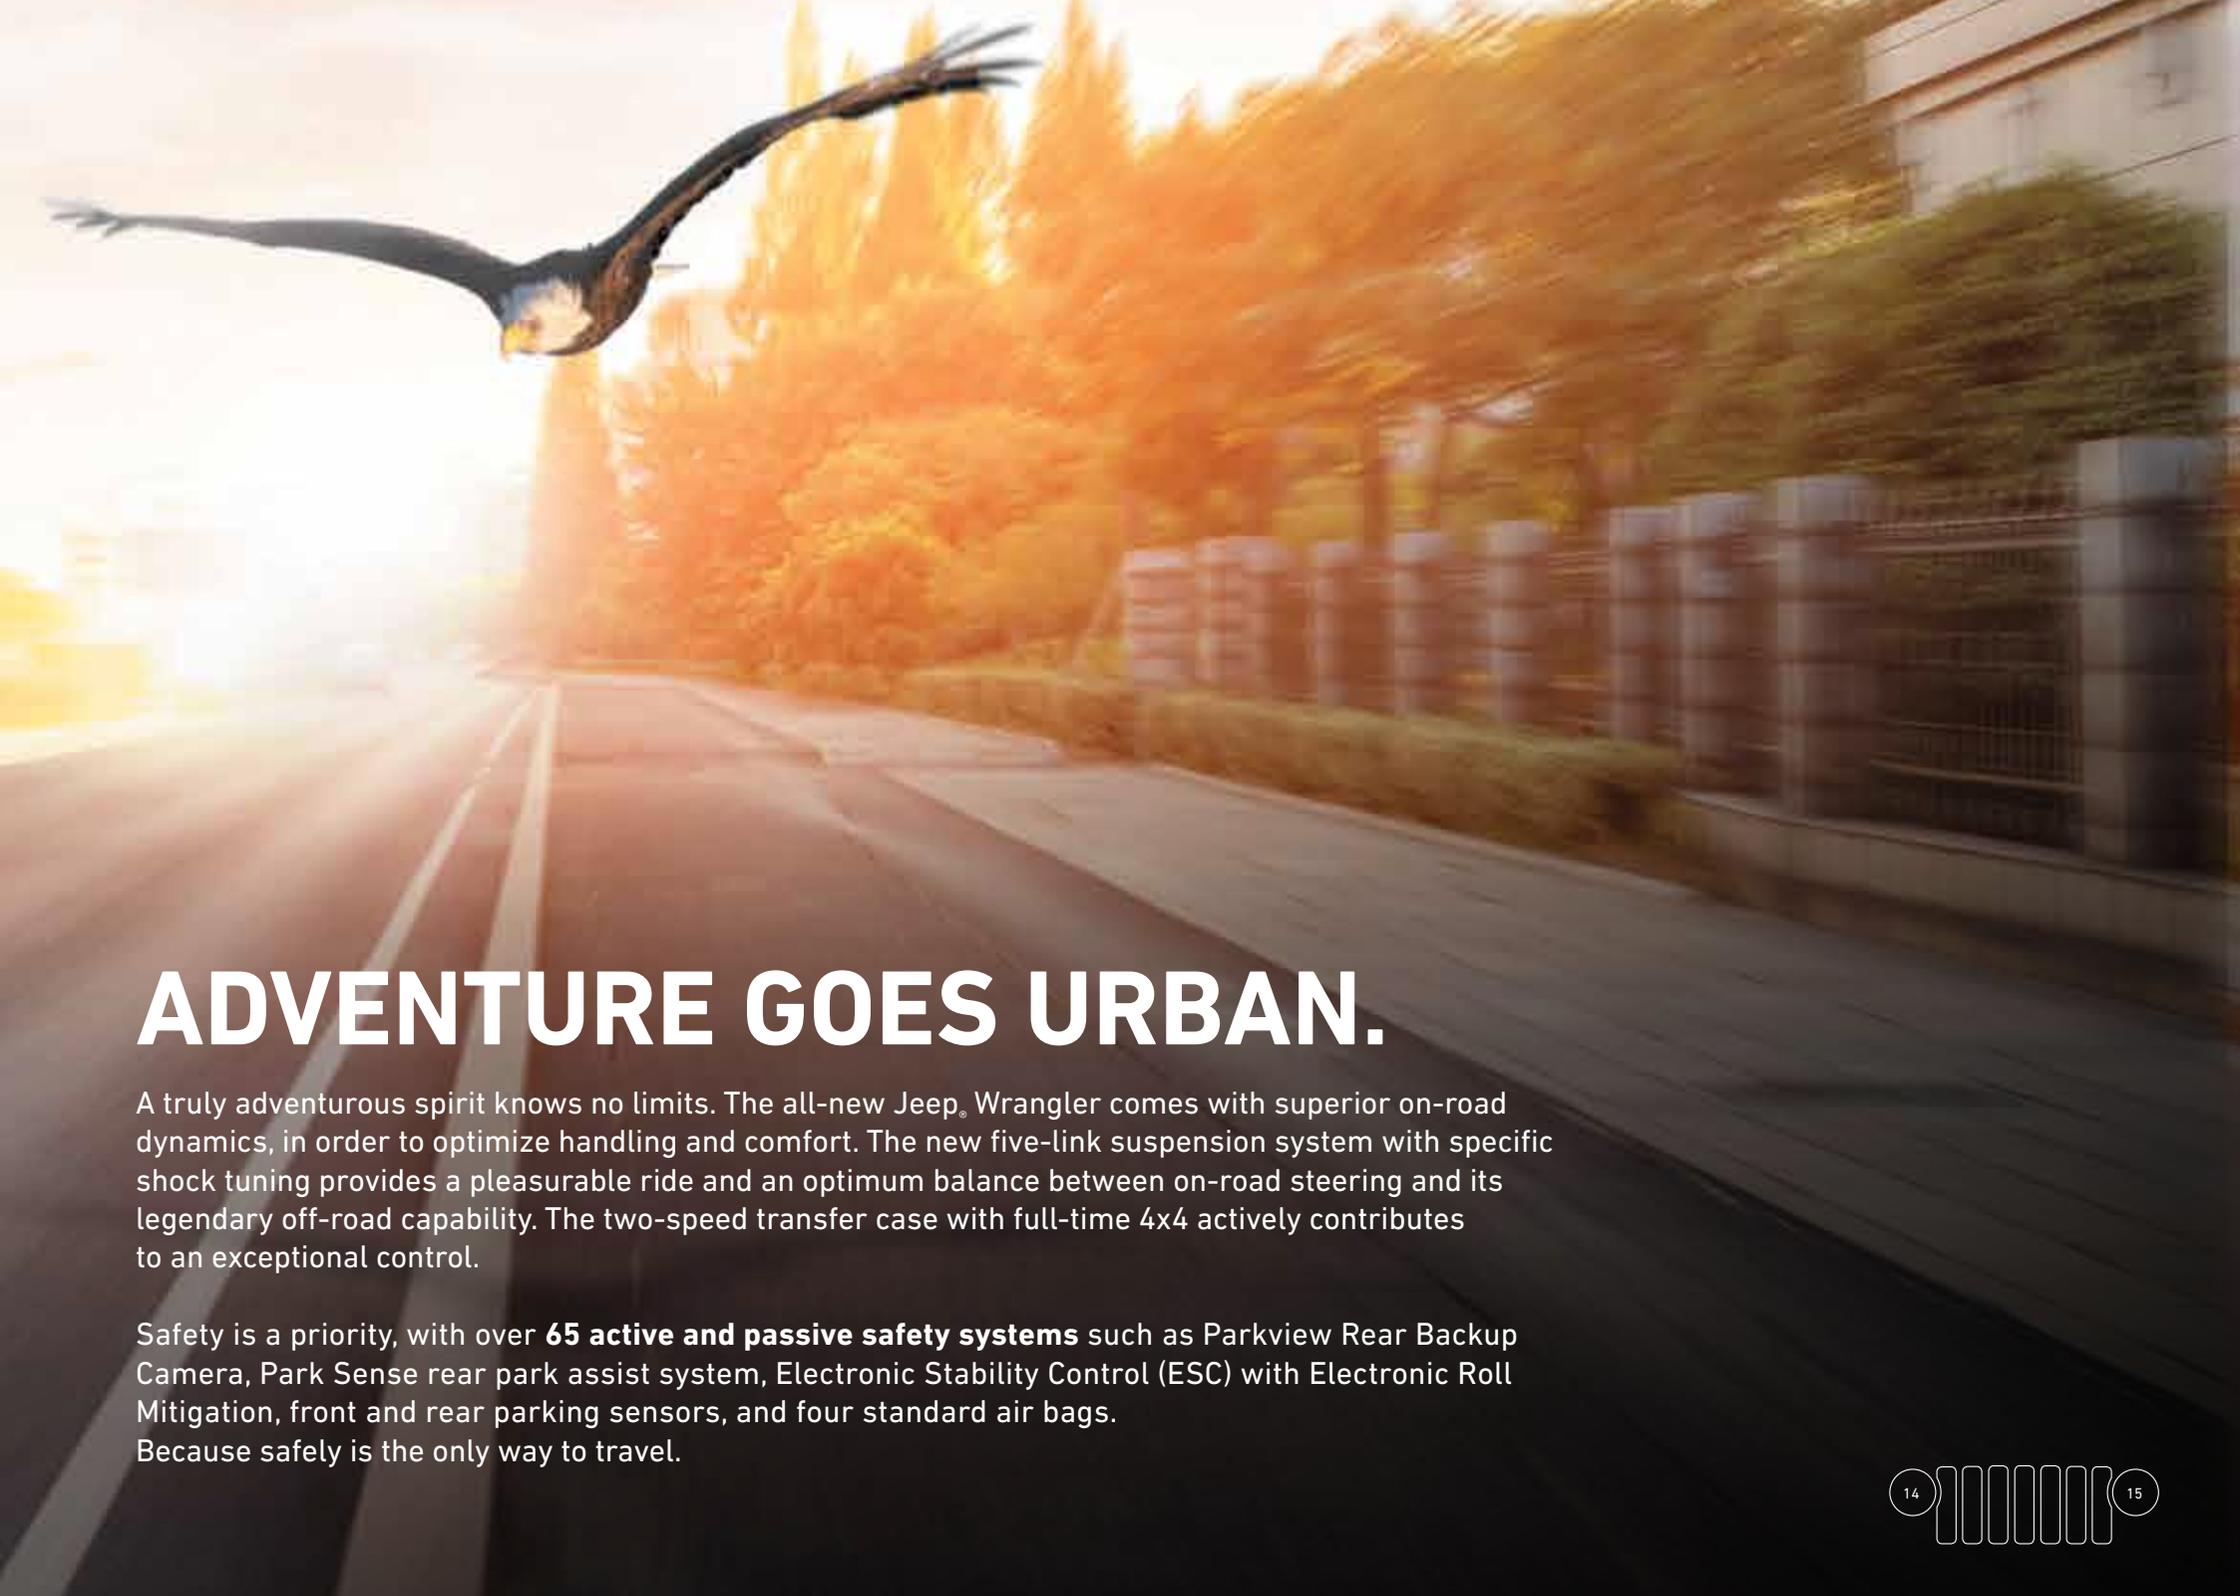

## 2. FREEDOM® TOP 3-PIECE MODULAR HARDTOP

An updated design for a lighter top which is easier to remove and brings more of the "outside in".

## 3. REMOVABLE DOORS\*

Made of lightweight aluminium. Take them off and freedom becomes closer than ever.

A bald eagle is shown in flight, soaring over a road that stretches into the distance. The scene is set at sunset, with a warm, golden glow from the sun on the left. The road is flanked by trees with autumn foliage and a fence on the right. The overall mood is adventurous and serene.

# ADVENTURE GOES URBAN.

A truly adventurous spirit knows no limits. The all-new Jeep® Wrangler comes with superior on-road dynamics, in order to optimize handling and comfort. The new five-link suspension system with specific shock tuning provides a pleasurable ride and an optimum balance between on-road steering and its legendary off-road capability. The two-speed transfer case with full-time 4x4 actively contributes to an exceptional control.

Safety is a priority, with over **65 active and passive safety systems** such as Parkview Rear Backup Camera, Park Sense rear park assist system, Electronic Stability Control (ESC) with Electronic Roll Mitigation, front and rear parking sensors, and four standard air bags. Because safely is the only way to travel.

Only right hand drive vehicles available in South Africa

# LOSE TRACK OF TIME, NOTHING ELSE.

Totally redefined interiors, now equipped with the latest technology. An authentic style, great versatility, improved comfort and intuitive features. Every detail reveals expert craftsmanship and top-quality materials. Metal-plated elements and fine upholstery now in leather with accent stitching – each and every feature is carefully planned. A push-button starter, featuring a weather-proof surround, is easily located within the driver's reach. And what is more, every Wrangler comes standard with durable and washable interiors, fitted with drain plugs for easy clean-up. The end product is a new interior where the concept of time can be easily forgotten.

# BREAK THE SOUND BARRIER.

The all-new Jeep® Wrangler's interior combines rugged details and on-board pleasure to deliver superior driving experience. The perfect environment to fully enjoy the sound quality of the available 552-Watt Alpine® All-Weather Premium Audio System with 8 speakers and a rear subwoofer standard on the Rubicon. Nothing less for an unrivalled off-roader.

## CUSTOMIZED CONNECTION.

The fourth-generation Uconnect™ 8.4" touchscreen system, located in the mid-centre console, features smartphone connectivity, pinch-to-zoom capability and Drag'n'Drop functionalities, allowing owners to customize the system with their own most commonly-used menu buttons and specific Off-Road Pages providing vehicle status while operating in off-road conditions.

Apple CarPlay™ enables iPhone users to access Apple Maps, messages, phone and Apple Music through Siri voice control or Uconnect™ touchscreen.

## androidauto

Android Auto™ enables easy and safe access to hands-free voice control, Google Maps™ and Google Play Music™ via Uconnect™ touchscreen or steering-wheel controls.\*

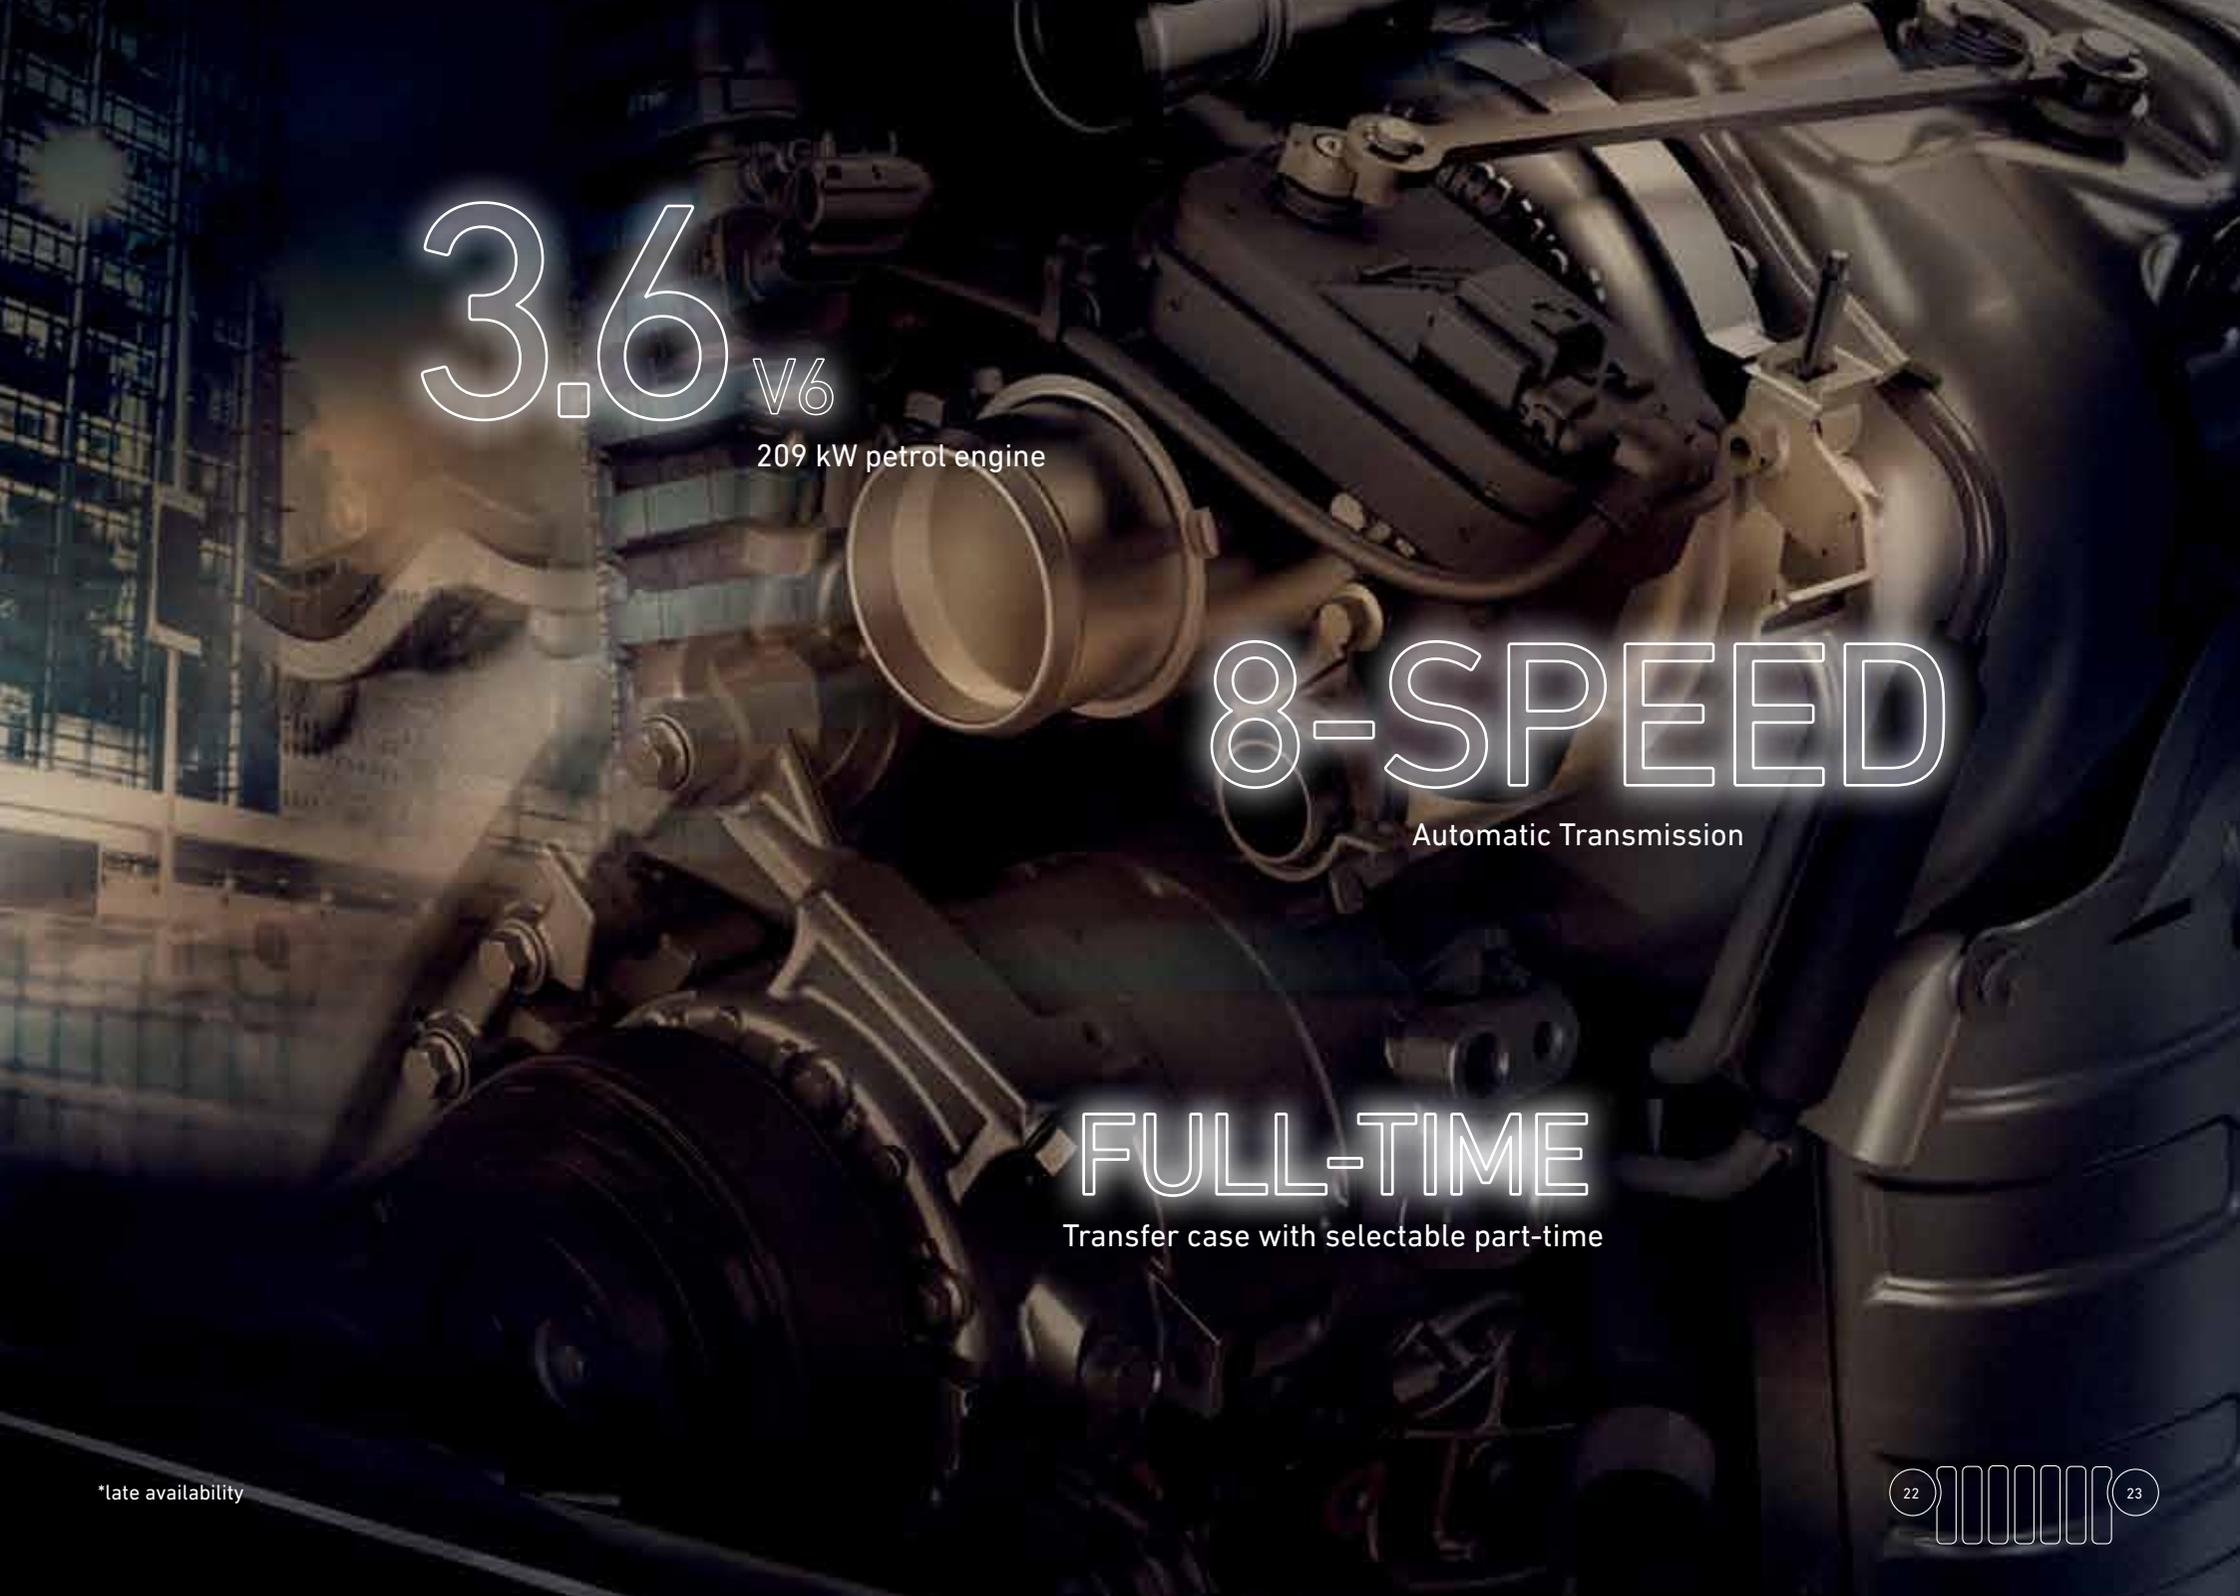

\* Requires the Android Auto app on Google Play and an Android compatible smartphone running Android™ 5.0 Lollipop or higher. Google, Google Play, Android Auto and other related marks are trademarks of Google LLC.

# FUEL ADVENTURE.

Advanced and efficient powertrains. The 3.6 V6 Pentastar petrol engine are mated with the state-of-the-art 8-speed automatic transmission, enabling optimal engine output while on the trails or enjoying smooth, efficient power delivery at highway speeds. The new full-time transfer case with selectable part-time perfectly distributes power between front and rear wheels for superior handling and an improved driving experience.

# ALWAYS IN YOUR ELEMENT.

All destinations are within reach, because all terrains can be travelled. Two 4X4 systems - Command-Trac® on Sahara and Sport, and Rock-Trac® on Rubicon - offer full-time torque management, enabling optimal grip in slippery, low-traction conditions such as driving over rock, sand, gravel, snow or ice. The Trac-Lok® limited-slip rear differential is available on Sport and Sahara trims, while the Rubicon features the Tru-Lok® electric front and rear axle lockers for extra torque and grip to face the toughest conditions. Adventure is great in any environment, and thanks to its legendary 4x4 capabilities, every Wrangler model receives a Trail Rated badge, certifying that your Jeep Wrangler has passed a series of gruelling tests in five categories: Traction, Water Fording, Manoeuvrability, Articulation and Ground Clearance. Perfect for all your new adventures.

Jeep

# TURN ANY DIRECTION INTO A ROAD.

The 2019 Rubicon is the most capable Wrangler ever. True to its heritage, it has the traction to handle some of the harshest and most unpredictable driving conditions.

- Rock-Trac® 4x4 system with a “4LO” ratio of 4:1 with 77,2:1 crawl ratio.
- Selec-Trac® full-time two-speed transfer case.
- Heavy duty next-generation Dana axles.
- Tru-Lok® electric front and rear axle lockers.
- 32-inch BF Goodrich Mud-Terrain tyres.
- Electronic front sway-bar disconnect, to provide additional wheel travel when the terrain calls for it.
- Approach/Departure/Breakover angles: 36,4°/30,8°/25,8°.
- Maximum ground clearance: 255 mm.

MOPAR®

# MAKE YOUR OWN ADVENTURE.

Every great adventure begins when you turn the steering wheel and go off the beaten path, and with the wide range of authentic Mopar accessories you will discover how unlimited your options can really be. Mopar offers many solutions for your Jeep® Wrangler, from performance to style, down to the smallest details. With Jeep® Performance Parts, make sure your one-of-a-kind Wrangler is ready to face the most challenging roads, and with its own distinctive look. Personalize the exterior with the mesh bikini and the original Mopar graphics (available on the 4-door only), conquer the water with the snorkel by Jeep® Performance Parts and dominate rocky trails with the tough, heavy-gauge steel rock rails.

The specification (B) indicates the value of CO<sub>2</sub> and fuel consumption determined on the basis of the measurement / correlation method referring to the NEDC cycle as per Regulation (EU) 2017/1152-1153. The CO<sub>2</sub> and fuel consumption values obtained according to applicable regulation are indicated in order to allow the comparison of vehicle data. The homologation values of CO<sub>2</sub> and fuel consumption may not reflect the actual values of CO<sub>2</sub> and fuel consumption, which depend on many factors related, by way of example but not limitation, to the driving style, the route, the weather and road conditions, the condition, use and equipment of the vehicle.

The indicated value of CO<sub>2</sub> and fuel consumption refers to the versions of the vehicle with the highest and the lowest values. Those values may change with the subsequent configuration depending on equipment selected and/or size of tyres selected. The indicated values of CO<sub>2</sub> and fuel consumption are not definitive and may evolve as a result of changes in the production cycle. More up-to-date values will be available at the selected official dealer of the FCA network. In any case, the official values of CO<sub>2</sub> and fuel consumption of the vehicle purchased by the customer will be provided with the documents accompanying the vehicle. In cases where the values of CO<sub>2</sub> and fuel consumption are relevant for the purposes of calculating taxes and duties related to the vehicle, reference should be made to the applicable laws in each country.
