Please contact your local MITSUBISHI FUSO dealer for detailed specifications and equipment available in your market.

Lifetime Value, Longer Life

Lifetime value. Lower cost of operation is one important element. Another is longer vehicle life, so the profits keep rolling in. So, besides being fuel-efficient, our trucks and buses require less frequent maintenance. Comfortable and easier to drive and maintain, they reduce driver fatigue, making them safer as well. Built rugged and durable, they are backed by service and support second to none.

Economy

Performance, utility, longevity: Mitsubishi engines have it all. Smooth-shifting transmissions enhance fuel economy.

Design and Drivability

Aerodynamic contours increase fuel efficiency. Drivability and comfort keep drivers fresh and alert.

Service and Support

Easier, less frequent maintenance plus outstanding service and sort mean more time on the road.

Stylish and Fuel-Efficient

Aerodynamic design
Great looks and great economy, too. Those smooth, beautiful lines lower air resistance, improving fuel efficiency.

4D33-6A Diesel 4.214 ℓ

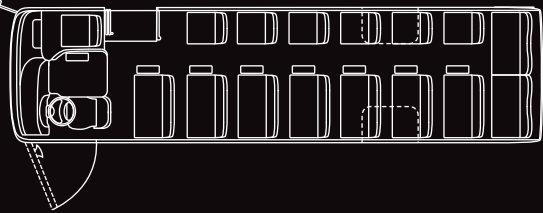

83kW (113PS)/3,200rpm (EC)*
304N·m(31.0kgf·m)/1,600rpm(EC)*

* Values are net, i.e., values measured in conditions approximating those when the engine is mounted in vehicle.

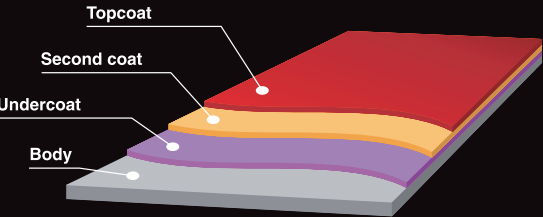

Durable, economical engine
Cleaner, more complete burning increases fuel efficiency. Durability and reliability increase lifetime value.

Greater comfort, greater economy
Radial tires increase both comfort and economy.

Room for more
The Super Long body provides seats for 34 passengers, increasing ROI with every trip.

Triple-layer fade resistance
With undercoat, second coat, top coat, colors stay fresh and appealing.

INTERIOR

Compelling Comfort and Convenience

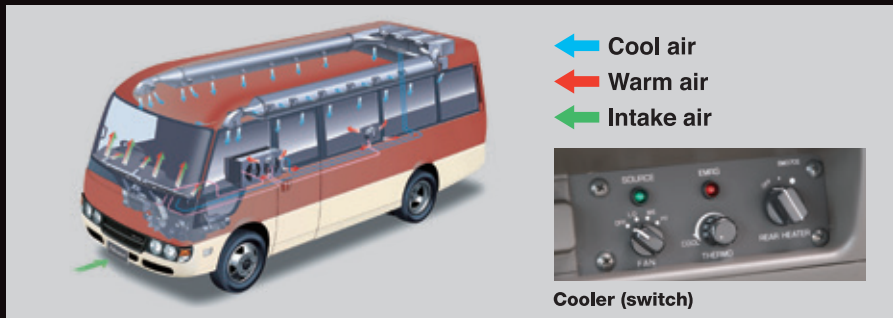

Standard interior

Reclining passenger seats (Option)

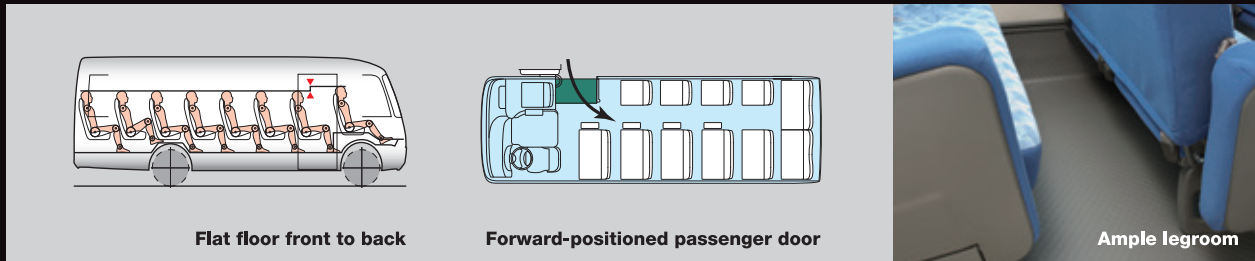

High roof and comfortable seats

Driver and passengers enjoy the feeling of greater space. In this ROSA, the seats are blue-toned to give the cabin a fresh, new image.

Optimal cooling and ventilation

Air circulation is optimized for the spacious interior. Operation is easy. Front and rear heaters are optional.

Forward-looking, easier, too

The flat passenger deck improves forward visibility and, combined with the passenger door positioned behind the driver's seat, enhances ease of entry and exit.

All about the driver

Ergonomic cockpit design improves drivability and driving safety.

Fatigue-reducing seat

The ergonomically designed seat helps the driver stay fresh and alert on long trips.

More visible, readable meters

The logical design of the instrument panel makes information easily available.

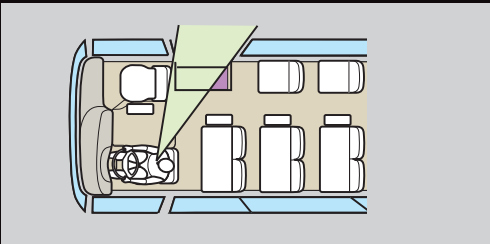

Power steering

For lighter, more nimble handling.

Tiltable steering wheel

Adjustable to the driver's perfect angle.

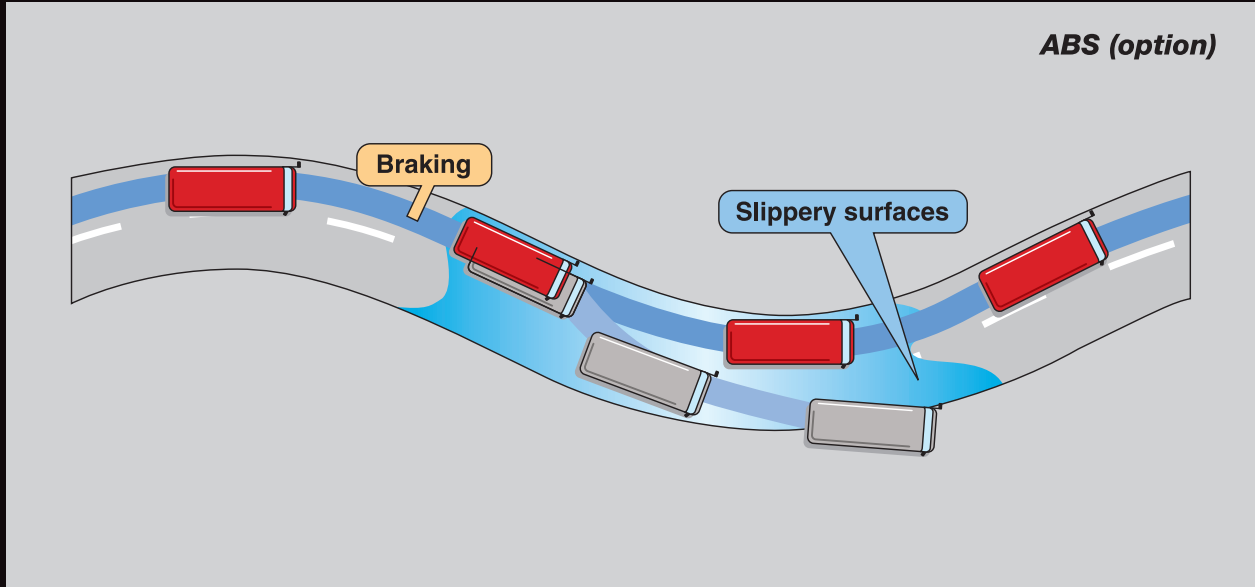

Safer passenger door position

The passenger door closer to the driver's seat simplifies monitoring of passengers boarding and leaving the bus.

Because safety is job No. 1

*This photograph shows an option-equipped model.

Safer braking

Rosa offers a complete package of active and passive safety features, including optional anti-lock braking (ABS), to prevent wheel locking in emergencies or when driving on slippery surfaces.

**Vehicle with ABS**

**Vehicle without ABS**

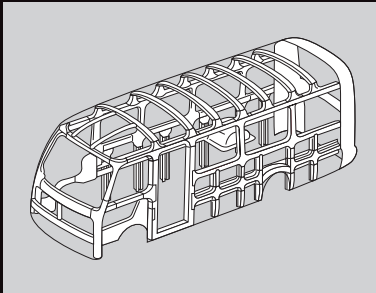

Exhaust brake system

Improves safety. Also reduces driver fatigue and extends brake lining life.

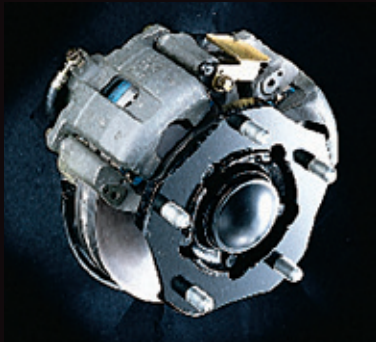

Three-point ELR seat belt

Enhances driver safety if accidents occur.

Lightweight, rigid body

The rigid body cage protects both driver and passengers.

Front disc brakes (option)

The combination of twin caliper and ventilated disc brakes ensures safer braking.

Fog lamps (option)

Increase bus visibility in fog or other low-visibility driving situations.

Passenger seatbelts for added safety (option)

Protection bars for the windows (option)

Rear wiper and washer (option)

Rear emergency exit (option)

Special care in every detail

STANDARD

Fully synchronized manual transmission
Short shift lever for easier shifting

Great quality, great support

Here when you need us
Mitsubishi FUSO dealers are staffed with highly qualified technicians.

Ready to meet any test
Mitsubishi FUSO vehicle designs are rigorously tested, on the road as well as on our state-of-the-art test track.

Quality gates
No Mitsubishi FUSO truck is delivered to customers without first passing through 11 quality validation gates that are integral parts of the FUSO Product Development System.

MITSUBISHI FUSO GENUINE PARTS

Accept no substitutes
Only genuine Mitsubishi FUSO parts are designed and built to the strict quality standards required for best performance.

MITSUBISHI FUSO GENUINE SERVICE

Quick and reliable service
No one in the world understands our vehicles better than our carefully trained technicians. No one can detect and solve problems more quickly and reliably.

WE PROMISE

To keep your trucks delivering value
Every Mitsubishi FUSO vehicle comes with a list of eight promises to provide the world-class service you need. Promises made, promises kept.

All for you

Every Mitsubishi FUSO truck and bus embodies one simple proposition — All for you. So every step of the way from design to manufacturing to maintenance and support, we are constantly thinking about you, our customer, and your needs. Lower cost of operation? Of course. But lower cost alone doesn't make a solid investment. So we build every vehicle to be comfortable and easy to drive. Rugged and reliable, too, to deliver the long-term performance that increases lifetime value. We not only make them easy to maintain, we built them to need less frequent maintenance, and invest in training expert technicians to provide support when you need it. We are always thinking, What could be better for our customer? We do it all for you.
