EVERY TRIP  
IS EXPANSIVE

**UP TO SEVEN OCCUPANTS** are primed to experience all the amazing views while being pampered with refined audio and entertainment options. Go where the Jeep® Brand legacy of pure capability can take you, along with next-generation technology and upscale comforts.

Overseas model shown. South African specifications may differ.

# LEVEL UP OR DOWN

**QUADRA-LIFT® AIR SUSPENSION** This available system sets Jeep® Grand Cherokee L apart by lowering ride height for optimal access or rising higher to meet your on-road demands. Now, the system reacts even faster and raises even higher, so you're handed exceptional ground clearance with water fording<sup>2</sup> capabilities up to 610 millimetres.

Overseas model shown. South African specifications may differ.

AUTO

SPORT

Overseas model shown. South African specifications may differ.

## THE AVAILABLE SELEC-TERRAIN® TRACTION MANAGEMENT SYSTEM

UP TO **5** SETTINGS\*  
ROCK, SAND/MUD, SNOW,  
AUTO AND SPORT

**OPTIMAL ON- AND OFF-ROAD TRACTION** is instantly at hand. Up to five selectable settings\* electronically coordinate 12 different vehicle management systems to adjust your traction control to match the road ahead. Whether you're caught in snow-covered city streets or climbing backcountry hills, you'll have the confidence to bravely meet all challenges.

\*Rock mode only available on Summit Reserve.

# POWER THROUGH

**GO ANYWHERE, IN ANY WEATHER.** Move forward with confidence, no matter what the day brings, backed by the dependable capability of Jeep® Grand Cherokee L.

Overseas model shown. South African specifications may differ.

# ELITE VISTAS AHEAD

**TRAVEL TO LOCATIONS OTHERS ONLY DREAM OF REACHING**, with all passengers riding in ultimate comfort. Authentic Jeep® Brand capability gives the all-new Grand Cherokee L the ability to head for the hills, then return home with plenty of shared memories to enjoy for years to come.

Overseas model shown. South African specifications may differ.

# THE GRAND VIEW

## COMMANDVIEW® DUAL-PANE POWER PANORAMIC SUNROOF

This available full-power system gives sightseers more to enjoy. With a power sunshade in front, and a fixed-glass ceiling in the rear, the added viewpoint is just what you need to open up your world.

Overseas model shown. South African specifications may differ.

# ADVANCED SAFETY & SECURITY

More features offer next-generation engineering for complete peace of mind.

**NEW DROWSY-DRIVER DETECTION<sup>3</sup>** Monitors steering wheel movement and provides an audible alert if the system detects that the driver is not correctly handling the wheel or if the vehicle is off track.

**NEW 360° CAMERAS<sup>4</sup>** Your vehicle's entire perimeter is monitored and displayed on your dash touchscreen. These cameras provide several views, like top view, rearview and panorama view, to assist you when parking, either manually or automatically.

**NEW HEAD-UP DISPLAY WINDSHIELD** Drivers can maintain focus on the road ahead with the help of this full-colour inch transparent windshield display. Driving cluster data is projected onto a safe viewing area on the windshield in front of the driver.

**NEW NIGHT-VISION CAM** mounted on the front grille detects pedestrians and animals crossing the vehicle's pathway. The driver is notified in time to take appropriate action.

**NEW INTERIOR REAR-SEAT-MONITORING CAMERA<sup>1</sup>** Get a view of everyone in the second and third rows. Image is displayed on the main touchscreen. This includes a clear view of any rear-facing child-seat occupants, a unique zoom-to-seat feature and a split-view display.

**ADAPTIVE CRUISE CONTROL (ACC) WITH STOP AND GO<sup>3</sup>** Take the guesswork out of keeping a safe following distance from the car ahead while cruising on the highway. The system automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead and can bring Jeep® Grand Cherokee L to a complete stop, without driver intervention, to help avoid a collision.

**FORWARD COLLISION WARNING WITH ACTIVE BRAKING (FCW+)<sup>5</sup>** Sensors detect when Grand Cherokee L may be approaching another vehicle too rapidly, sending an audible and visual alert to the driver and providing 1.5 seconds of brake assistance if the driver does not react in time.

**PARKVIEW® REAR BACK-UP CAMERA<sup>4</sup>** Brings previously hidden rear objects to your attention, either on screen or with an audible warning, in good time to react. You can also keep an eye on anything in tow while in motion.

**BLIND SPOT MONITORING<sup>6</sup> AND REAR CROSS-PATH DETECTION<sup>4</sup>** Monitors the space between you and other drivers, and you're notified when a side or rear blind spot is encroached.

**AVAILABLE PARALLEL AND PERPENDICULAR PARK ASSIST<sup>7</sup>** This active guidance system controls steering automatically using ultrasonic sensors that help you ease into parking spots. Includes ParkSense® Front Park Assist<sup>7</sup> sensors.

**LANESENSE® LANE DEPARTURE WARNING WITH LANE KEEP ASSIST (LDW+)<sup>8</sup>** Provides a visual and audible warning should the vehicle drift outside of lane boundaries or if the driver's hands are off the wheel.

# THE ALL-NEW JEEP® GRAND CHEROKEE L

7 SEATS. WILDLY CIVILISED.
